Mission Statement

studio951 is collaborative which bases its philosophy in providing innovative solutions employing creative methods to yield a balance of expression and function.

Firm Profile

studio951 offers services in master planning, architecture, residential design, strategic programming, interior architecture, furniture and design-build solutions. The design studio is comprised of professional architects, designers and artists committed to finding creative and meaningful solutions through a culture of continuous investigation and collaboration. We foster a high-energy open forum of ideas based around people and individual client needs. With our diverse professional and personal experience we endeavor to reveal the expressive and contextual potential unique to each project.

studio951's principals are adjunct professors in the UNL Graduate College of Architecture, and studio951 employs a full time professor from UNL's Interior Design department in the College of Architecture.
