Firm Philosophy and Objectives

Kenneth Hahn Architects serves a loyal base of clients, with a passion for high quality Architecture. Known for their hard work and Architectural / Project Management skills, our fifteen staff members are a crucial part of our long term success. While our Architectural employees average 25 years of experience in the profession, they keep a youthful attitude toward new ideas, sustainability, and technology. KHA practices architecture with the highest levels of dedication to our clients, with upmost integrity in how we conduct business, and with exceptional customer service. Our list of repeat clients is evidence that KHA is valued for its continued dedication, professionalism, and excellence in everything we do.
