**Firm Philosophy & Objectives**

Sinclair Hille Architects is located in the historic Haymarket District of Lincoln, Nebraska. Our mission is to inspire lives in a compelling way through environments where people live, work, and learn. We have provided innovative design solutions in a responsive, creative, and collaborative manner since 1981. Our passion and commitment to bring quality architecture to the built environment has resulted in the completion of over 150 landmark projects totaling \$500 million in renovation and new construction. We offer services to a broad range of clients, project types, and markets in the Midwest, maintaining a highly professional profile as an active member of the civic and business community. Our project experience includes mixed-use developments, student housing, university student life and research facilities, public schools, office buildings, commercial/retail buildings, financial institutions, churches, restaurants and multi and single-family housing.
