Firm Philosophy & Objectives

Collaborative. Knowledgeable. Experienced. Schemmer is a full-service architectural, engineering and planning firm, providing responsible solutions for complex design and construction-related challenges. We believe in a creative, collaborative culture. Our diverse and talented professionals work together to create effective, goal-driven solutions. This team-oriented culture extends directly to our clients as we involve them as active participants in the design process. Our combined experience and ideas lead to stronger relationships, more efficient processes, and successful outcomes. Schemmer has provided services for clients across 37 states. We are grounded in our past, which began in 1959, with a vision to the future. Our professionals strive to know and understand market trends and are equipped to respond quickly to the unexpected. Headquartered in Omaha, Schemmer has regional offices located in Lincoln, Council Bluffs and Des Moines, Iowa, and Oklahoma City and Tulsa, Oklahoma.
