#### **Firm Philosophy & Objectives**

Altus Architectural Studios, Inc. provides innovative Architecture, Programming, Master Planning and Interior Design. Altus is regionally focused with a national prominence providing trusted experience and collaborative processes that deliver highly successful projects. We assemble experts from all disciplines into talented, knowledgeable teams that are able to guide projects from beginning to end.

Working closely with our clients, we carefully assess their unique requirements and develop a creative solution both meeting and exceed their expectations. This is accomplished through a collaborative step-by-step approach that has proven successful because it seeks and shares information in a logical, straightforward manner; fostering united understanding and sets clear expectations.

Altus excels in forward-thinking planning and designs projects efficiently while creating purposeful environments with interiors that are warm, inviting and durable.
