

Job Title: HIRING ARCHITECTS IN ASPEN COLORADO

Years of Experience: 0-3

Job Description:

Named one of Outside Magazines Best Places to Work 2014, Charles Cunniffe Architects an award winning Aspen Architectural Firm seeks design minded detail-oriented talented and motivated full time persons for the following positions:

Job Captain with 2 to 5 years of experience

Project Manager with at least 5 years of experience

Both positions must be proficient with Revit, Sketch-Up, Photoshop & Microsoft Office Suite. We are searching for passionate, organized team players with good verbal and written skills, strong technical proficiency, and who enjoy working as part of a creative team in a collaborative studio environment.

Great opportunity to join a thriving team with a 34 year history of exciting design projects.

Our office is 2 blocks from the famed Aspen Mountain gondola. Our staff benefits from a flexible work environment, annual wellness benefit, they ski/bike/hike at lunch and enjoy working in downtown Aspen. Project types include contemporary urban, planning, interiors, commercial, civic and residential projects.

Excellent salary and benefits package, and options for professional advancement. Please email cover letter, resume, portfolio and references to email address.
