Important: If you wish to attend class(es) intermittently, registration + payment must be received by AIA NE before or on the day of class.

**Seating is limited so early registration is encouraged.**

The 2011 AIA NE/ARE Study Seminars will be offered to all Architecture Registration Exam Candidates. The Seminar Series is sponsored by AIA NE. The Series encompasses a basic review of the major topics covered in each division of the ARE and serves to assist the candidate's preparation by providing an organized approach to studying and by presenting concise and practical reference materials. The Seminar is presented by professionals with experience in each specific division of the ARE. Candidates may receive handout materials for review and participate in an open question and answer period following each Seminar.

The AIA NE/ARE Study Seminar Series is not presented by a professional profit-making corporation, but by a non-profit organization whose primary goal is to better prepare each candidate for passing the exam. We rely heavily on the volunteer participation of speakers and AIA NE members to provide an excellent, low-cost structure for exam preparation as well as the opportunity to share resources and form study groups. If you know of someone who could benefit from the study series, please pass along this information or direct to the AIA NE website at [www.aiane.org](http://www.aiane.org)

Contact AIA Nebraska 402/472-1456 with questions/ email, [skay2@unl.edu](mailto:skay2@unl.edu).
